*words by Mack Brock & Chris Brown*  
*music by Mack Brock*

**Intro: [C - D - G/B - C]**

**Verse:**

**C D G/B C**  
After we had fallen  
**D G/B C**  
You opened up our hearts and  
**D G/B C**  
Spoke in truth  
**D G/B C**  
The bags we had to carry  
**D G/B C**  
They were getting heavy  
**D G/B C**  
But not for You

**Pre-Chorus:**

**Am G/B**  
You took up our crosses  
**Em D C**  
And cut all our losses  
**Am G/B C**  
And paid for our freedom in You

**Chorus:**

**G D Em G C**  
We are forgiven, covered by the blood  
**Em D C**  
Of a son who was given up for us  
**G D Em G C**  
We are Your children, adopted in a love  
**Em D C**  
That could take all our mess and make us clean  
**Em D C**  
You take all our mess and make us clean

**Verse:**

Our shadows now behind us

Our hope inside a promise  
You never leave  
You brought us to the light God  
And told us "It's alright child,  
Rest in me."

**[Pre-Chorus]**

**[Chorus]**

**Bridge:**

**G      C                  Em**

Hallelujah, we are free

**D                  C**

We are free (*repeat*)

**[Chorus]**
